Curt Wright

Chair Holmes reminded everyone that the Biomass Committee meetings are open meetings; we will invite KEC members.

Next meeting will be Friday, January 5, 9:00 to 5:00, KCC First Floor Hearing Room, Topeka.

Topics for January 5th meeting:

- Review Richard Nelson's background paper
- Review Bioproducts Roadmap
- Update on Senator Roberts subcommittee on energy (Tim Carr)
- Review biofuels map being developed by Commerce and others (Ray Hammarlund)
- Update on KSU research (Richard Nelson)
- Update on Bioscience Authority

Possible topics for future meetings

- Overview of existing federal monies that Kansas could go after
- Update on the 25 by '25 initiative (Mark Taddiken)
- Update on Sunflower's proposed biorefinery
- Tour ICM ethanol plant
- Review blending and distribution issues
- Review of Iowa's bioenergy policies

Staff (Liz, Joe, and Richard) will develop a draft work plan for the 2007 KEC planning cycle by January 5th.
