

**Kansas Energy Council Energy Conservation and Efficiency Committee
February 26, 2007, 9:00 a.m. to 11:45 a.m.
Kansas History Museum, Classroom A
6425 SW Sixth Avenue, Topeka**

Agenda

9:00 Opening Comments – Michael Volker, Chair

9:15 Discussion of Committee Purpose and tasks:

- To Educate:
 - The Administration, the KEC and the public on issues impacting energy efficiency including economic, social, and technical issues.
 - To assist the Kansas Energy Office in developing statewide energy education and conservation programs (especially if SB 128 becomes law).
- To Recommend:
 - Additional legislative, administrative, or regulatory policies for consideration by full Council.
- To Facilitate Collaboration
 - Work with stakeholders (utilities, regulators, legislators, and interest groups) to enable energy efficiency.
 - Identify and overcome market barriers.

9:45 Update on State/Federal legislative initiatives related to energy efficiency – Bruce Snead

10:15 Update on Regulatory (247 Docket) and Utility Initiatives (Roundtable)

10:30 Break

10.45 Discussion/brainstorming on possible topics for further exploration (possible background reports)

- Real-time pricing and/or time-of-use pricing
- DSM potential for Kansas as a whole
- Additional energy efficiency disclosure
- Statewide residential building codes
- Issues for smaller utilities
- Other?

11:30 Wrap-up, guidance to staff, and plan for next meeting (June 6?)

11:45 Adjourn to full Council meeting at noon
